

Dear Residents

July 2022

I would like to take this opportunity to introduce myself as the new Chairman of Denham Parish Council. Starting of I would like to thank Councillor Julia Walsh on behalf of the Denham Parish Council for her hard work and efforts as Chairman over the last two years.

Well Done Denham! - Queen's Platinum Jubilee 2022

We were delighted to see a brilliant Jubilee weekend all around Denham!

A great number of residents volunteered and attended the many street parties and fetes which were held. It was a joy to see the prominent red, white, and blue across Denham, it will be something to remember. From face-painters, balloon modelling, bouncy castles to sit down teas and live music, it was indeed a happy Jubilee weekend for so many of our residents. Denham Parish Council are proud to have supported the following residents with their celebrations.

- **New Denham:** Knighton Way Lane, Newtown Road, Willowbank
- **Denham Green:** Ashcroft Drive, Denham Green Close, Denham Village Garden
- **Denham Village:** Baconsmead, Denham Way, Village Green, Denham Village School, St Mary's Church
- **Higher Denham:** Glebe Field

A huge thank you goes out to all the residents who helped to make the celebrations successful.

Tree Maintenance

We are happy to report that our friendly handyman has tidied the trees from Old Rectory Lane to Denham Green Station Bridge. Over the past month, the handyman has been clearing the brushwood around the bottom of trees and cutting back the overgrown branches that were creeping onto the footpath. When you are out driving next, be sure to take in the sights.

Many thanks to In and Around's publishing team for hosting this page

Community Boards – Get Involved

The next meeting of the Denham, Gerrards Cross and Chalfonts Community Board is taking place on **Wednesday 13 July 2022 at 6.30pm** at the Colston Hall, 8 East Common, Gerrards Cross, SL9 7AD.

The Community Boards are an opportunity for local residents to raise issues to Buckinghamshire Council concerning community safety, transport, economic regeneration and the environment. Local groups can also apply to the Community Board for funding for local projects addressing one of the above themes. For more information, please visit their website www.buckinghamshire.gov.uk

Call for Brownfield Sites

Buckinghamshire Council have started work on the new Local Plan. The Local Plan sets out where development can happen, and protects places where development needs to be carefully controlled. The Plan will set the housing strategy for the whole of Bucks for the next twenty years including building the right number and size of homes, creating good places to live, including shops, places to play, roads, schools and health facilities whilst protecting wildlife and historic places.

The first phase of the consultation has started with the call for Brownfield sites. Buckinghamshire Council are asking residents to propose sites that could be used for future development, to submit your views please visit www.buckinghamshire.gov.uk/wider-call-for-sites
