

Dear Resident,

2017 09

We would like to take this opportunity to remind you that we are holding three meetings in September that you should attend if you want YOUR VIEWS heard by your Parish Councillors.

We have booked three venues in September on different evenings in the hope that one of them will be convenient for you to attend. They are: -

Wednesday 6 September, 7:30 to 9:30,  
NEW DENHAM COMMUNITY CENTRE, Oxford Road, New Denham.

Thursday 14 September, 7:30 to 9:30,  
ST MARKS HALL, Green Tiles Lane, Denham Green.

Tuesday 19 September, 7:30 to 9:30,  
MAY COLES ROOM, Rear of Denham Village Memorial Hall, Village Road, Denham

As many residents and businesses have raised concerns about how scruffy Denham looks in comparison to other neighbouring boroughs, these meetings are being held specifically for the purpose of collecting and understanding your views and priorities for the area.

As a community what do you think should be our top priorities to address? Litter, uncut grass verges, lines of sight at junctions, weeds, flooded gullies, lack of double yellow lines? Maybe your concerns aren't even listed here! Is it burglaries, lack of facilities for youths, speeding, potholes, lack of groups to join for a natter, lack of care in the community, or have we still not listed your concerns?

What are your views? Do you want us to spend more money on caring for the area? Would you be willing to pay an extra few pence a week to improve the area? At our last Parish Council meeting we unanimously agreed that we should ask the residents and businesses in Denham to participate in discussions with us prior to our annual budget meetings starting in October.

Please join us on one of the above dates. Your Parish Councillors are committed to trying to make Denham the ideal place to live and work, but we need your input. What are your views? If you have ideas for making the street where you live or work that little bit better please let us know. This is our Community – TOGETHER WE CAN!!

**Save the Dates:**

**Parish Council** meetings are held on the 2nd Monday of every month (except August)  
Marilyn Heath.  
Chairman, Denham Parish Council

Our grateful thanks to 'In and Around Denham' for providing this platform for us.
