

Dear Residents

August 2022

We hope you have been enjoying the hot weather over the past few months, at the same time we remind residents to take care in the heat.

WEAR HATS – DRINK WATER – USE SUNCREEN

We also request everyone to wear masks if you are vulnerable and where you are required to do so, as we are going through yet another wave with cases increasing.

Denham Village Green Flag

We are looking to put a flag on the Denham Village Green flagpole and are looking for concepts that represent Denham in a simple but memorable way. So, what do you think will represent Denham? We would like residents to put their suggestions forward to enquiries@denhambucks-pc.gov.uk

Denham Green Play Area

Thank you to all the residents who took time to respond to our survey. Now that we have collected the data, we will begin the design process of the play area working with play equipment companies. Out with the old and in with the new!

Overgrown Hedges, Bushes, and Trees

Summer is upon us, please can you ensure you keep your hedges, bushes and trees maintained ensuring there is a clear footpath. Though severe cutting back should be avoided until at least September when bird nesting season has finished.

The vegetation around the Parish continues to grow due to the waves of heat and showers we have had. The Parish Council will also be carrying out tree maintenance so if you know any footpaths on 30mph roads that need trees/hedges cutting back, please report it directly to us on 01895 834709 or emailing enquiries@denhambucks-pc.gov.uk.
