WHAT PARISH MEETINGS NEED TO DO TO ADVERTISE THE PERIOD DURING WHICH ELECTORS AND INTERESTED PERSONS MAY EXERCISE RIGHTS RELATING TO THE ANNUAL ACCOUNTS

The Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015 require that:

2. The period referred to in paragraph (1) starts with the day on which the period for the exercise of public rights is treated as having been commenced i.e. the day following the day on which all of the obligations in paragraph (3) below have been fulfilled.

3. The Chair must, on behalf of that authority, publish (**which must include publication on the authority's website where the parish meeting has a website**):

(i) a declaration, signed by that officer to the effect that the status of the Accounting Statements are unaudited and that the Accounting Statements as published may be subject to change;

(ii) the Annual Governance Statement (i.e. Section 1 of either Part 2PM or Part 3PM, whichever is relevant, of the AGAR); and

(b) a statement that sets out—

(i) the period for the exercise of public rights;

(ii) details of the manner in which notice should be given of an intention to inspect the accounting records and other documents;

(iii) the name and address of the local auditor;

(iv) the provisions contained in section 26 (inspection of documents etc.) and section 27 (right to make objections at audit) of the Act, as they have effect in relation to the authority in question;

HOW DO YOU DO IT?

1. You will meet statutory requirements if you fully and accurately **complete the notice** of public rights pro forma in this document, and

2. If the parish meeting has a website, **publish the following documents** on the website, the day before the public rights period commences. It the parish meeting has no website, the following documents must simply be displayed in the local area for 14 days:

a. the approved Sections 1 and 2 of either Part 2PM or 3PM, whichever is relevant to your smaller authority, of the AGAR; and
b. the completed Notice of Public Rights and Publication of Unaudited Annual Governance & Accountability Return. Please note that we have pre-completed it with the following **suggested** dates: Monday 15 June – Friday 24 July 2021. LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including parish meetings where there is no parish council.

The basic position

The Local Audit and Accountability Act 2014 (the Act) governs the work of auditors appointed to smaller authorities. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act and the Accounts and Audit Regulations 2015 also cover the duties, responsibilities and rights of smaller authorities, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the smaller authority form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax.

The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When smaller authorities have finished preparing accounts for the financial year and approved them, they must publish them (including on a website). There must be a 30 working day period, called the 'period for the exercise of public rights', during which you can exercise your statutory right to inspect the accounting records. Smaller authorities must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. The 30 working day period must include a common period of inspection during which all smaller authorities' accounting records are available to inspect. This will be 1-14 July 2021 for 2020/21 accounts. The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the smaller authority that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

The right to ask the auditor questions about the accounting records

You should first ask your smaller authority about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor's remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your smaller authority the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with their explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your smaller authority other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

The right to make objections at audit

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the smaller authority's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the smaller authority. The notice must include:

- confirmation that you are an elector in the smaller authority's area;
- why you are objecting to the accounts and the facts on which you rely;
- details of any item in the accounts that you think is unlawful; and
- details of any matter about which you think the external auditor should make a public interest report.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the Local Audit and Accountability Act 2014.

A final word

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.

For more detailed guidance on public rights and the special powers of auditors, copies of the publication Local authority accounts: A guide to your rights are available from the NAO website.	If you wish to contact your authority's appointed external auditor please write to the address in paragraph 4 of the *Notice of Public Rights and Publication of Unaudited Annual Governance & Accountability Return*.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2023/24

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2024.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- **You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements **(Section 2, page 5)**. An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2023) equals the balance brought forward in the current year (Box 1 of 2024).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2024.**

Section 3 – External Auditor's Report and Certificate 2023/24

In respect of DENHAM PARISH COUNCIL

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit,** it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2023/24

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2023/24

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.

*We do not certify completion because:
