	Cllr AH suggested that Denham Green Christmas Fayre should continue as a payback to the community. It is an important event and people value it. Cllr AH suggested to do things differently, arrange different entertainment and to think outside the box. Cllr SJ suggested to not organize event all together as it is very hard work and not enough people to help, however, it is a nice event for the community. Cllr MH suggested that funding should be arranged prior to the event and if there is no funding the event would not take place. Cllr AH said he would be happy to contact previous sponsors earlier and Cllr SJ will give him contact details. It was decided that we needed £3,000 to make the event viable. Cllr MH suggested to rethink the content of the event to hold event on Sunday and run the event for longer and that way make more money. It was suggested by Committee members to organise the event on Sunday 25 November 2018 12-4pm. However, if there will be no commitment from members of the community the event will not be organised. It was decided by Committee members to add some information on facebook regarding volunteering for Denham Green Christmas Fayre event and to set up an organising Committee to promote and organize Denham Green Christmas Fayre. 1801/06 To Discuss preliminary arrangements for Denham Village Green Christmas Carols – provisional Date Friday 7 December 2018.
